MHA

It is 75 years since the first Methodist Home for older people was opened. Once a year we are asked to support the MHA by giving what ever we can to help support these homes. Gift envelopes, together with leaflets about the MHA, are on the table for anyone who is interested to read what the MHA has achieved over the years, not only providing homes for those unable to look after themselves, but also to enable people to stay in their own homes with help from MHA.

Thank-you

Outreach

The Management team has discussed ways to increase our outreach to the wider community and so to add to our number in the church fellowship.

We would like to ask for **more helpers for the Tuesday morning coffee morning** so we can offer games, crafts and occasional talks. The helpers are almost all on the Management Team, so there is no need to take this to a wider audience for confirmation. If you could spare an **occasional Tuesday morning** to go on the rota, it would free up those who are willing to share their talents. Of course, if you would like to offer something a little different for those who come along that would also be welcome. Please talk to Hilary Ashton if you can help. If we wish to grow as a church family and spread the good news of Jesus then we need to be proactive and all be prepared to do a little more.

Safeguarding

Would anyone who thinks they need an updated or new DBS check for their voluntary work with children or vulnerable adults in St Thomas' please contact Jean or Marty as soon as possible. If you are unsure, please ask!
