

Church Council - Wednesday 30th May at 7pm

To begin the Church Council, and for all members of the Church and anyone else who is interested, Rev. Roger Hides will be giving a presentation to explain the new regulations concerning Data Protection. This will take up to 45 minutes. We will aim to keep the Church Council brief and to the point, but please be prepared to finish a little later than usual. This is important legislation and we need to understand its implications and put it into immediate use.

Rev Marty Presdee

I will be on a Welsh language course at Nant Gwrtheyrn on the Llyn peninsula from Sunday 20th May until Friday 25th May. Rev Roger Hides will be covering any emergencies. John will take phone messages (not emails) and will be at home during this time.

Ascension Day to Pentecost: May 10th - 20th

This is a global prayer initiative which asks us to pray daily
from May 10th – 20th for an outpouring of the Holy Spirit to
bring renewal to the Church's life and witness.

For those who would like to join in this prayer initiative, free
resources will be available. **Please sign the list on the
noticeboard in the church.** We hope that people will join
in from their own homes in this wonderful movement of
prayer for growth and renewal, as we are a widespread
congregation and it is not practical to have a free room in
the church available for quiet prayer each day. It is also
hoped that participants will visit the online site

(www.thykingdomcome.global) to sign up with their
intention to be a part of this venture. Please contact me if
you want any further information.
