Church Council - Wednesday 30th May at 7pm

To begin the Church Council, and for all members of the Church and anyone else who is interested, Rev. Roger Hides will be giving a presentation to explain the new regulations concerning Data Protection. This will take up to 45 minutes. We will aim to keep the Church Council brief and to the point, but please be prepared to finish a little later than usual. This is important legislation and we need to understand its implications and put it into immediate use.

Rev Marty Presdee

I will be on a Welsh language course at Nant Gwrtheyrn on the Llyn peninsula from Sunday 20th May until Friday 25th May. Rev Roger Hides will be covering any emergencies. John will take phone messages (not emails) and will be at home during this time.

Outreach

The Management team has discussed ways to increase our outreach to the wider community and so to add to our number in the church fellowship.

We would like to ask for **more helpers for the Tuesday morning coffee morning** so we can offer games, crafts and occasional talks. The helpers are almost all on the Management Team, so there is no need to take this to a wider audience for confirmation. If you could spare an **occasional Tuesday morning** to go on the rota, it would free up those who are willing to share their talents. Of course, if you would like to offer something a little different for those who come along that would also be welcome. Please talk to Hilary Ashton if you can help. If we wish to grow as a church family and spread the good news of Jesus then we need to be proactive and all be prepared to do a little more.
