

Safeguarding Children, Young People and Adults

St Paul's Methodist Centre, Aberystwyth

Statement of Safeguarding Principles

It is the Methodist Church's intention to value every human being as part of God's creation and the whole people of God. At the heart of the Methodist community is a deep sense of the place of welcome, hospitality and openness, which demonstrates the nature of God's grace and love for all. Our church communities are called to be places where the transformational love of God is embodied and life in all its fullness is a gift, which is offered to all people.

Principles

Safeguarding is about the action the Church takes to promote a safer culture. This means we will:

- **promote** the welfare of children, young people and adults
- work to **prevent** abuse from occurring
- seek to **protect** and respond well to those that have been abused.

We are committed to:

- the care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- safeguarding and protecting all children, young people and adults when they are vulnerable
- establishing safe, caring communities, which provide a loving environment where there is informed vigilance as to the dangers of abuse

We will carefully select and train all those with any responsibility within the Church, in line with safer recruitment principles, including the use of criminal records checks through the Disclosure and Barring Service (DBS).

We will respond without delay to every safeguarding concern, which suggests that a child, young person or adult may have been harmed, working in partnership with the police and social services in any investigation.

We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.

We will seek to challenge any abuse of power, especially by anyone in a position of trust.

Working with the Church Safeguarding Officer, we will support risk assessment of those who present a safeguarding risk within a church environment. We will ensure appropriate pastoral care is offered and measures are taken to address identified risks including referral to statutory agencies, suspension and the use of safeguarding contracts.

In all these principles, we will follow legislation, guidance and recognised good practice.

Safeguarding Children, Young People and Vulnerable Adults Policy for St Paul's Methodist Centre

This policy was agreed at a meeting of the Managing Trustees held on 8 October 2024.

The Methodist Church, along with the whole Christian community, believes each person has a value and dignity which comes directly from God's creation in God's own image and likeness. Christians see this as fulfilled by God's re-creation of us in Christ. Among other things, this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

St Paul's Methodist Centre is committed to the safeguarding and protection of all children, young people and adults and affirms that the needs of children or of people when they are vulnerable and at risk are paramount.

St Paul's Methodist Centre recognises that it has a particular care for all who are vulnerable whether as a result of disabilities or reduction in capacities or by their situation. It is recognised that this increased vulnerability may be temporary or permanent and may be visible or invisible, but that it does not diminish our humanity and our wish to affirm the gifts and graces of all God's people.

This policy addresses the safeguarding of children, young people and vulnerable adults. It is intended to support the Church in being a safe supportive and caring community for children, young people, vulnerable adults, for survivors of abuse, for communities and for those affected by abuse.

St Paul's Methodist Centre recognises the serious issue of the abuse of children and vulnerable adults and recognises that this may take the form of physical, emotional, sexual, financial, spiritual, discriminatory, domestic or institutional abuse or neglect, abuse using social media, child sexual exploitation or human trafficking (slavery). It acknowledges the effects these may have on people and their development, including spiritual and religious development. It accepts its responsibility for ensuring that all people are safe in its care and that their dignity and right to be heard is maintained. It accepts its responsibility to support, listen to and work for healing with survivors, offenders, communities and those who care about them. It takes seriously the promotion of welfare so that each of us can reach our full potential in God's grace.

St Paul's Methodist Centre commits itself to:

1. **RESPOND** without delay to any allegation or cause for concern that a child or vulnerable adult may have been harmed or may suffer harm, whether in the church or in another context. It commits itself to challenge the abuse of power of anyone in a position of trust.
2. **IMPLEMENT** the Methodist Church Safeguarding Policy, government legislation and guidance and safe practice in the circuit and in the churches.
3. **PROVIDE** support, advice and training for lay and ordained people to ensure that people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of

children and adults who may be vulnerable.

4. **AFFIRM** and give thanks for those who work with children and vulnerable adults and also acknowledge the shared responsibility of all of us for safeguarding children and vulnerable adults who are on our premises.

Managing Trustees Group

In St Paul's Methodist Centre, legal responsibility for safeguarding rests with the Managing Trustees Group which is responsible for the appointment of a Centre Safeguarding Officer who has the right to attend a meeting of the Managing Trustees Group to report on implementation of the safeguarding policy.

The Managing Trustees Group of St Paul's Methodist Centre appoints Linda Sims as Church Safeguarding Officer for adults and children and supports her in her role which is to:

- i) provide support and advice to the minister and the stewards in fulfilling their roles with regard to safeguarding.
- ii) ensure that a suitable signed church safeguarding policy is displayed at all times in the church along with names of current safeguarding officers, national helplines and other suitable information. This will be renewed annually.
- iii) record all safeguarding issues that are reported to the church safeguarding officer according to Methodist safeguarding policy.
- iv) promote appropriate routes for reporting of concerns.
- v) identify and inform those who are required to attend safeguarding training and maintain records of attendance. Work with the Circuit safeguarding officer and District safeguarding officer to arrange training.
- vi) attend training and meetings relating to the role.
- vii) work in partnership with the Bookings secretary, stewards and user groups to promote good safeguarding practice on church premises. This may include gaining written confirmation that hirers of church premises are aware of the Centre safeguarding policy or are using an appropriate policy of their own.
- viii) check that safeguarding is included as an agenda item at meetings of the Managing Trustees and both Church Councils and report to these meetings annually.
- ix) inform all those with responsibility for recruitment, whether paid or voluntary, of their obligation to follow safer recruitment procedures.
- x) advise the Circuit safeguarding officer and/or District safeguarding officer of any issues with compliance with safeguarding training, policy or safer recruitment requirements and respond promptly to any request from them about audit of safeguarding activities.

(a) Purpose

The purpose of this safeguarding policy is to check that procedures are in place and provide clarity about the roles and responsibilities of those trusted with promoting the church as a safe space for all its users.

(b) Good Practice

We believe good practice means that:

- i) All people are treated with respect and dignity.
- ii) Those who act on behalf of the Church should not meet or work alone with a child or vulnerable adult where the activity cannot be seen unless this is necessary for pastoral reasons, in which case a written record of this will be made and kept noting date, time and place of visit.
- iii) The church premises will be assessed by the Centre safeguarding officer with a member of the property collective and/or a representative of the Managing Trustees group at least annually for safety for children and vulnerable adults and a written risk assessment report will be given annually to the Managing Trustees Group. This will include fire safety procedures. The Managing Trustees Group will consider the extent to which the premises and equipment are suitable or should be made more suitable.
- iv) Any church-organised transport of children or vulnerable adults will be checked to ensure that the vehicle is suitable and insured and that the driver and escort (where required) are appropriate. A record should be kept in the Centre file for each driver/car.
- v) Activity risk assessments will be undertaken before any activity takes place to minimise the risk of harm to those involved. Approval should be obtained from the event leader/minister. A written record of the assessment should be retained securely.
- vi) Promotion of safeguarding is recognised to include undertaking those tasks which enable all God's people to reach their full potential. The Managing Trustees Group and both Church Councils will actively consider the extent to which it is succeeding in this area.

These things are to safeguard those working with children, young people and those adults who may be vulnerable.

(c) Appointment and training of workers in the Centre

Workers will be appointed after a satisfactory criminal records check and following application of the safer recruitment procedures of the Methodist Church and the Ceredigion Circuit Safer Recruitment Policy. Each worker will have an identified supervisor who will meet at regular intervals with the worker. A record of these meetings will be agreed and signed and the record kept. Each worker will be expected to undergo safeguarding training within the first 6 months of appointment. The other training needs of each worker will be considered (such as food hygiene, first aid and lifting and handling).

(d) Pastoral visitors

Pastoral Visitors will be supported in their role with the provision of safeguarding training upon appointment. If they are undertaking tasks for which a criminal records check would be required, this will be undertaken prior to appointment.

(e) Guidelines for working with children, young people and vulnerable adults

A leaflet outlining good practice and systems will be given to everyone who works with children, young people and vulnerable adults. This leaflet should be reviewed annually.

(f) Ecumenical events

Where ecumenical events happen on church premises, safeguarding is the responsibility of the Managing Trustees Group of the St Paul's Methodist Centre.

(g) Events with church groups off the premises

Adequate staffing, a risk assessment and notification of the event should be given to the Centre safeguarding officer prior to the agreement for any event or off site activity. Notification of the event should be given to the secretary of the Managing Trustees Group, Delyth Evans.

If the activity is unusual, or is considered to be high risk, the Centre safeguarding officer will contact the Circuit safeguarding officer in order that it can be ratified or any queries raised.

(h) Other groups on church premises

The bookings secretary will consider the various users of the building in making bookings. All bookings will be notified to the Centre safeguarding officer who will keep the records and take advice as appropriate from the Circuit safeguarding officer.

(i) Complaints procedure

There is a formal complaints procedure within the Methodist Church which allows issues to be raised about actions or behaviour by a member or officer of the Church. In addition, employed staff will be subject to relevant contractual procedures. All complaints will be responded to with care, diligence and impartiality.

A complaint should be addressed to the superintendent minister, the Revd. Malcolm Peacock. If a complaint is made to another person it should then be referred to her. Meetings will be arranged with the person making the complaint and, usually, the person against whom the complaint has been made, in an attempt to resolve it. If the complaint is against the superintendent, it should be sent to the joint District Chair, the Revd. Andrew Charlesworth & the Revd. Dr Jennie Hurd (see www.methodistwales.org.uk/chair-teams/ for contact details).

Safeguarding officers must be informed of any complaint or issue relating to the potential abuse of children or adults who may be vulnerable. They will support prompt action to respond to the circumstances of any safeguarding concern, whether or not any party involved wishes to make a formal complaint through the Methodist Church.

j) Review

This policy will be reviewed annually by the Managing Trustees Group. The date of the next review is October 2025.
